Subject: Assignment of Website Development Project for GENEXT Precision Autotech Pvt. Ltd.

Dear Pratik Bagul,

We are pleased to assign you a website development project for **GENEXT Precision Autotech Pvt. Ltd.** as an industry project. This is an excellent opportunity to apply your skills in creating a professional, modern website that reflects the company's role as a manufacturer of automobile components for OEMs.

Project Scope:

- **Front-End Development:** Build a responsive and visually appealing interface using **Next.js, CSS3, and Tailwind.**
- **Back-End Development:** Use **Node.js** for server-side functionality.
- **Database Management:** Implement **MongoDB** to store and manage product and inquiry data.
- **Features:**
 - Product Portfolio section with detailed component specifications.
 - Contact & Inquiry form integrated with email.
 - About Us section and Google Maps integration.
 - SEO-optimized content for improved online visibility.

Timeline: The project should be completed by **March 2025**, with regular progress updates expected.

This industry project is an opportunity to demonstrate your creativity and technical expertise in solving real-world challenges. Your contributions will play a vital role in enhancing the company's digital presence.

Kindly confirm your understanding of the project requirements.

Best regards,
